

# SOCIETY OF FEED TECHNOLOGISTS

## P O U L T R Y

**23rd January 2014**

**Windmill Village Hotel  
Coventry**

### **For Whom**

Nutritionists, Buyers, Quality Control and Production personnel involved in poultry husbandry and feed production. This programme is also appropriate for farmers who are involved with poultry and companies are therefore welcome to invite their customers to the conference.

### **Introduction**

We are delighted to invite you to a Society of Feed Technologists (SFT) conference on Poultry. Delegates will receive authoritative updates and participate in lively debate on current topics of major importance to the industry. Expert speakers will cover the following topics:

- Broiler industry in Germany
- Balancing antioxidants in poultry diets
- Relationship between hatchability and egg quality
- Reducing food-borne pathogens from poultry production
- Optimisation of avian gut
- Influence of Butyric Acid Esters on intestinal health and gut integrity

We look forward to welcoming you to the conference which promises to be informative and challenging.
